World War I: North Carolina in the Great War

This page gathers resources in NCpedia that cover the history and legacy of World War I, contributions from the state to the war effort, and other aspects of history related to life during war-time. It does not include all resources in NCpedia that mention World War I, but instead presents a selection for browsing and digging deeper into NCpedia content and the state's history from 1914 to 1918. This page also includes resources for teachers, links to digitized historical document collections online, and print resources for further reading.
