A North Carolina History Online Resource

This online textbook is designed for grade 8 and up and covers all of North Carolina history, from the arrival of the first people some 12,000 years ago to the 21st century. There are eleven parts, organized chronologically, a collection of primary sources, readings, and multimedia that can be rearranged to meet the needs of the classroom. Special web-based tools aid reading and model historical inquiry, helping students build critical thinking and literacy skills.
