M. W. [Major Wiley] Parris of Jackson County, North Carolina, enlisted in the Confederate army in 1861 at age 37. He served as a private in the North Carolina 25th Infantry Regiment, Company B. Below is a transcription of a letter he wrote to his wife, Jane Parris, on July 3, 1862. In this letter he discusses the battle at Malvern Hill, Virginia, which took place on July 1, 1862 and was part of the Seven Days' Battles. He details the names of soldiers from Jackson County that he knows were killed or wounded in battle.

Less than two weeks after Parris wrote this letter, he was discharged "by reason of being over age."
