The following images were scanned from a letter written by John Adams to his wife, Abigail Adams, on July 3, 1776.

Your favour of June 17. dated at Plymouth, was handed me, by yesterday's Post. I was much pleas'd to find that you had taken a Journey to Plymouth, to see your Friends in the long absence of me whom you may wish to see. - The Description will be an Argument, and will serve your Health. How happy would it have made me to have taken this Journey with you. ?

I was inform'd, a day or two before the Receipt of your Letter, that you was gone to Plymouth, by Mrs Polly Palmer, who was obliging enough in your Absence, to inform me, of the Particulars of the Expedition to the lower Harbours against the Men of War. - Her Narration is executed, with a Precision and Perspicuity, which would have been the Pen of an accomplished Historian.

I am very glad you had so good an opportunity of seeing, one of our little American Men of War. - Many Ideas, new to you, must have presented themselves in such a Scene; and you will in future, better understand the Delights of Sea Engagements.

I rejoice extremely at Dr Brulfinches Detention to open an Hospital. But I hope, the Business will be done upon a larger Scale. I hope, that our Hospital will be liend in every County, if not in every Town. I am happy to find you resolv'd, to be with the Children, in the first Class. - Also resolving, and Mrs that, Quincy, are slowly through Inoculation, in this City.

I have one favour to ask, and that is, that in your future Letters, you would acknowledge the Receipt of all those you may receive from me, and mention their Dates. - by this Means I shall know if any of mine miscarry.

The Information you give me of our Friends refusing his Appointment, has given me much Pain, Grief and Anxiety. I believe I shall be oblig'd to follow his Example. - I have not Fortune enough to Support my Family, and what is of more Importance, to support the Dignity of that exalted Station

It is too high and lifted up, for me; who delight in nothing so much as Retiret, Solitude, Silence, and Obscurity. - In private Life, no one has a Right to censure me for following my own Inclinations, in Retirement, Simplicity, & Inequality: in public Life, every Man has a Right to run on as he pleases, at least he thinks so.

yesterday the greatest Question was decided, which ever was debated in America, and a greater perhaps, never was or will be decided among Men. a Resolution was passed without one dissenting Colony "that these united Colonies, are, and of right ought to be free and independent States, and as such, they have, and of Right ought to have full Power to make War, conclude Peace, establish Commerce, and to do all other Acts and Things, which other States may right fully do." You will see in a few days a Declaration setting forth the Causes, which have impell'd us to this mighty Revolution, and the Reasons which will justify it, in the Sight of God and Man. a Plan of Confederation will be taken up in a few days.

When I look back to the Year 1761, and recollect the Argument concerning Writ of Habeas Corpus, in the Superior Court, which I have hitherto considered as the Commencement of the Controversy, between Great Britain and America, and run through the whole Period from that Time to this, and recollect the Series of political Events, the Chains of Causes and Effects, I am surpris'd at the suddenness, as well as Greatness of this Revolution. - Britain has been fill'd with Folly, and America with Wisdom, at least this is my Judgment. - Time must determine. It is the Will of Heaven, that the two Countries should be Sunder'd forever. It may be the Will of Heaven that America shall suffer, Calamities still more wasting and distressing yet more dreadful. - if this is to be the Case, it will have this good Effect, at least: it will inspire us with many Virtues, which we have not, and correct many Errors, follies, and Vices, which threaten to disturb, dishonour, and destroy us. - The Furnace of Affliction produces Refinement, in States as well as Individuals. - And the new Government we are forming, in every Part, will require a Purification from our Vices, and an Augmentation of our Virtues or they will be no Blessings. The People will have unbounded Power - and the People are extremely addicted to Corruption and Sensuality, as well as the Great. But I must submit, all my Hopes and fears, to an overruling Providence, in which, notwithstanding the Faith may be, I firmly believe.
