

American chestnut plant and a boyscout

American chestnut plant and a boyscout

Students study how biotechnology is being used to develop a blight-resistant tree.

Usage Statement:

All Rights Reserved

"All rights reserved" is a traditional copyright term that indicates that the copyright holder reserves for his/her/their own use all of the rights given to copyright owners under U.S. copyright law. Items that are included in NCpedia and/or ANCHOR with this rights statement appear by agreement or permission from the rights holder or the institution that holds the item. Click "Available at" to visit the website for the collection where the item appears for more information about the rights or specific uses allowed. For all other non-specified uses, please contact the copyright holder or item owner.
