

Generator

Generator

The massive structure in this photograph is a generator. It is painted black and is located in the basement of the Biltmore House. The generator has two large wheels. A light bulb shows how much light was produced at that time. Today's light bulbs produced much more light.

Usage Statement:

All Rights Reserved

"All rights reserved" is a traditional copyright term that indicates that the copyright holder reserves for his/her/their own use all of the rights given to copyright owners under U.S. copyright law. Items that are included in NCpedia and/or ANCHOR with this rights statement appear by agreement or permission from the rights holder or the institution that holds the item. Click "Available at" to visit the website for the collection where the item appears for more information about the rights or specific uses allowed. For all other non-specified uses, please contact the copyright holder or item owner.
