Elevated view of vendors, pedestrians, and motorcycles at urban market in Dalat

Dozens of seated produce vendors, pedestrians, and motorcycles can be seen in this elevated view of an urban outdoor market in Dalat. The produce vendors have their wares displayed in baskets or on mats, and they sit shaded by broad-brimmed, palm-leaf sunhats in front of storefronts with upper story apartments. Customers on foot or on motorcycles circulate through the street. Rural highland farmers typically bring their farm produce to sell to urban residents at these centralized outdoor markets.
