### Elevated street view of houses and closed cafe in Hoi An

An elevated view of a street scene shows two-story houses and a closed cafe in Hoi An. The houses are painted white with orange tiled roofs, and small trees line the street. A wall menu and white plastic chairs are seen outside the cafe. Nearby on the sidewalk are a bundle of green coconuts, probably used to make refreshing drinks. An upstairs window, where the cafe owners may live, has a leaded glass pane with the design of a sail boat, and there is an adjacent balcony garden.
