

Donkey on a mountain trail in Nepal

Donkey on a mountain trail in Nepal

A donkey climbs down a set of stone steps on a mountain trail in Nepal, en route from Birethanti to Nayathanti. Most goods are transported through the rugged terrain of Nepal's mountains on the backs of donkeys or humans. Traveling through this region involves perpetually climbing uphill or downhill. The donkey in this photo isn't carrying a load, but may be on its way to pick up some goods to transport.
