

Proof sheet of tax stamps, 1765

Proof sheet of tax stamps, 1765

A proof sheet of one-penny stamps, submitted for approval to the Commissioners of Stamps by an engraver on May 10, 1765. Under the Stamp Act, one-penny stamps were to be used on newspapers, pamphlets and all other papers "larger than half a sheet and not exceeding one whole sheet."

Citation (Chicago Style):

"America: Revenue 1765 Newspaper and pamphlet one penny. A proof sheet of 26, showing the registration certificate." 1765. British Library. URL: <http://www.bl.uk/onlinegallery/onlineex/philrar/a/010us000rev1765u000010....> Accessed 4/19/2017.

Usage Statement:

Public Domain

Public Domain is a copyright term that is often used when talking about copyright for creative works. Under U.S. copyright

law, individual items that are in the public domain are items that are no longer protected by copyright law. This means that you do not need to request permission to re-use, re-publish or even change a copy of the item. Items enter the public domain under U.S. copyright law for a number of reasons: the original copyright may have expired; the item was created by the U.S. Federal Government or other governmental entity that views the things it creates as in the public domain; the work was never protected by copyright for some other reason related to how it was produced (for example, it was a speech that wasn't written down or recorded); or the work doesn't have enough originality to make it eligible for copyright protection.
