# New and correct map of the Province of North Carolina

New and correct map of the Province of North Carolina

Edward Mosley drew this map of the Province of North Carolina in 1733. It shows settlements, inhabitants, soil conditions, rivers, and principal products, with insets showing Port Brunswick or Cape Fear Harbour, Port Beaufort or Topsail Inlet, Ocacock (Ocracoke) Inlet, and the explanation, and directions for Ocacock (Ocracoke) Inlet.
