The Burnside Expedition Lands at Hatteras Inlet

Caption reads "Landing of Troops on Roanoke Island. Burnside Expedition. AD 1862. Entered according to Act of Congress AD. 1862 by Hurlbut, Williams & Co. in the Clerk's Office of the District Court of Connecticut."

Citation (Chicago Style):

Mombberger Del and Geo. E. Perine. "Landing of Troops on Roanoke Island." Engraving. Hurlbut, Williams & Co, 1862. University of North Carolina at Chapel Hill, Wilson Library, North Carolina Collection Photographic Archives. https://dc.lib.unc.edu/cdm/singleitem/collection/dig_nccpa/id/27491/rec/9

Usage Statement:

Public Domain

Public Domain is a copyright term that is often used when talking about copyright for creative works. Under U.S. copyright law, individual items that are in the public domain are items that are no longer protected by copyright law. This means that you do not need to request permission to re-use, re-publish or even change a copy of the item. Items enter the public domain under U.S. copyright law for a number of reasons: the original copyright may have expired; the item was created by the U.S. Federal Government or other governmental entity that views the things it creates as in the public domain; the work was never protected by copyright for some other reason related to how it was produced (for example, it was a speech that wasn't written down or recorded); or the work doesn't have enough originality to make it eligible for copyright protection.
