

William Jennings Bryan

William Jennings Bryan

William Jennings Bryan was the choice of both Democrats and Populists for President in 1896 and 1900. He would run again as a Democrat in 1908, and would lose all three times.

He is remembered both as a leader in the Populist movement, and for his role as the prosecutor in the Scope's Trial. Read more about William Jennings Bryan here: <https://history.state.gov/departments/history/people/bryan-william-jennings>

The Rise of Populism

Usage Statement:**Public Domain**

Public Domain is a copyright term that is often used when talking about copyright for creative works. Under U.S. copyright law, individual items that are in the public domain are items that are no longer protected by copyright law. This means that you do not need to request permission to re-use, re-publish or even change a copy of the item. Items enter the public domain under U.S. copyright law for a number of reasons: the original copyright may have expired; the item was created by the U.S. Federal Government or other governmental entity that views the things it creates as in the public domain; the work was never protected by copyright for some other reason related to how it was produced (for example, it was a speech that wasn't written down or recorded); or the work doesn't have enough originality to make it eligible for copyright protection.
