

John Sevier

John Sevier

John Sevier (1745–1815) served four years (1785–1789) as the only governor of the State of Franklin and twelve years (1796–1801 and 1803–1809) as Governor of Tennessee, and as a U.S. Representative from Tennessee from 1811 until his death. He also served as the commander of the Washington County, Tennessee, contingent of the Overmountain Men in the Battle of Kings Mountain.

Usage Statement:

Public Domain

Public Domain is a copyright term that is often used when talking about copyright for creative works. Under U.S. copyright law, individual items that are in the public domain are items that are no longer protected by copyright law. This means that you do not need to request permission to re-use, re-publish or even change a copy of the item. Items enter the public domain under U.S. copyright law for a number of reasons: the original copyright may have expired; the item was created by the U.S. Federal Government or other governmental entity that views the things it creates as in the public domain; the

work was never protected by copyright for some other reason related to how it was produced (for example, it was a speech that wasn't written down or recorded); or the work doesn't have enough originality to make it eligible for copyright protection.
