

Letter from Governor William Tryon to Edmund Fanning, April 27, 1768

Letter from Governor William Tryon to Edmund Fanning, April 27, 1768

This is an image of the original letter from Governor William Tryon to Edmund Fanning written on April 27, 1768. In the letter, Tryon responds to Fanning's report on the activities of the Regulators. Fanning had written to Tryon a few days earlier on April 23, 1768. This letter is in the Colonial Governors' Collection of the State Archives of North Carolina.

Citation (Chicago Style):

Tryon, William. "Governor William Tryon: Tryon to Fanning, April 27, 1768," Colonial Governors' Papers Records, State Archives of North Carolina. From North Carolina Digital Collections <https://digital.ncdcr.gov/Documents/Detail/governor-william-tryon-tryon-...>

Usage Statement:

Public Domain

Public Domain is a copyright term that is often used when talking about copyright for creative works. Under U.S. copyright law, individual items that are in the public domain are items that are no longer protected by copyright law. This means that you do not need to request permission to re-use, re-publish or even change a copy of the item. Items enter the public domain under U.S. copyright law for a number of reasons: the original copyright may have expired; the item was created by the U.S. Federal Government or other governmental entity that views the things it creates as in the public domain; the work was never protected by copyright for some other reason related to how it was produced (for example, it was a speech that wasn't written down or recorded); or the work doesn't have enough originality to make it eligible for copyright protection.
