

Benjamin Lundy

Benjamin Lundy

Benjamin Lundy (1789-1839) was a Quaker abolitionist who wrote in opposition of slavery and published anti-slavery newspapers including *The Genius of Universal Emancipation*. This image is originally from *Ohio archæological and historical quarterly* published in 1887.

Citation (Chicago Style):

[Benjamin Lundy from *Ohio archæological and historical quarterly*] 1887. Image.

Usage Statement:

Public Domain

Public Domain is a copyright term that is often used when talking about copyright for creative works. Under U.S. copyright law, individual items that

are in the public domain are items that are no longer protected by copyright law. This means that you do not need to request permission to re-use, re-publish or even change a copy of the item. Items enter the public domain under U.S. copyright law for a number of reasons: the original copyright may have expired; the item was created by the U.S. Federal Government or other governmental entity that views the things it creates as in the public domain; the work was never protected by copyright for some other reason related to how it was produced (for example, it was a speech that wasn't written down or recorded); or the work doesn't have enough originality to make it eligible for copyright protection.
